

THE MILL KITCHEN

WELCOME TO THE MILL

Welcome to Clyde Mill Distillery and Mill Kitchen. Our family has called Bothwell home for generations and we take great pride in showcasing the region. Our ingredients have been thoughtfully sourced to reflect its quality and character, with many of the producers featured on this menu having close ties to the local community. A place where local produce meets crafted spirits and genuine hospitality.

You're not just stopping by food and drink; you are stepping into a story....
